

## Data protection notice: We take photos!

**Dear visitors of the K15t 15th anniversary,**

We take photographs at this event. We use the photographs to document the event and for our press and public relations work. For example, they may appear in newspapers, on our website or in brochures/print media.

If you do not want photographs to be taken of you, please inform the photographer/film team of this in good time. They will then take care not to take any photographs of you. Should it nevertheless happen that you are photographed contrary to your wishes, please inform us of this. We will then delete the relevant images immediately. You may also be included in group photos. However, if you do not wish to be photographed, we will endeavour not to include you in group photos.

Personal data is processed on the basis of the provisions of the GDPR. The legal basis for data processing is Art. 6 para. 1 lit. f) GDPR. K15t has a legitimate interest in taking and publishing photographs of the event for documentation purposes and for reporting purposes in order to carry out effective public relations work and draw attention to the events in the company.

The recordings should be published on the company's own website, as well as on the company's social media channels (Instagram, Facebook, LinkedIn, YouTube, X) and in the local press if necessary.

We store the recordings for as long as the purpose continues to exist or processing is necessary. We store the recordings of individuals who have given their consent for as long as the purpose exists and the consent has not been revoked. Mandatory statutory provisions - in particular retention periods - remain unaffected.

You have the right to receive information about your stored personal data free of charge at any time and can correct it, restrict its processing, have it deleted or transferred. You have the right to restrict or object to the processing of your data or to lodge a complaint with a supervisory authority. If we process your data on the basis of consent given to us, you can revoke this consent at any time for the future.

If you have any questions, please contact us directly or get in touch with us.
